Make Your Space Work With Color
Natural wood grains. 
Seasonal colors. 
Organic patterns.

People are drawn to a diverse set of materials, colors and textures found in nature. Office workers are craving those touches to make the office feel more welcoming and relaxed — like home.

Bring touches of residential life into your office with our 2020 color palettes and make your space inspiring, cozy, & colorful.

To learn more about the role of materials in the workplace, check out our Material & Trends found on hon.com.
