PRESIDE® SPECIFYING INFORMATION

Specify Preside tables with two steps—select a top and select a base.

1. Select desired top size, shape, and edge profile.

Multi-piece Tops:

Multi-piece tops are made of 108", 120", 144" and 168" two-piece "starter-sections" in rectangle, boat, arc end, or racetrack shapes in 42", 48", or 54" depths. For tables up to 20', models are preconfigured for you. If you need a table top longer than 20', add as many 72" adder sections as you need. The examples below illustrate preconfigured sizes as well as how starter section and adder section tops can be used to create tables in virtually any length. **Please note that 2-piece tops, in woodgrain colors, will not have exact grain alignment in the center where the two halves meet, a reasonable match can be expected. For tops utilizing an adder section, there will not be a grain match for those pieces.**
