

# Stacked Table

**CORRAL**

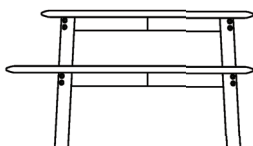

# Stacked Table

The table surfaces were designed with a soft hardwood edge inspired by the rails of a surfboard. The stacked table allows for storage on the bottom surface below while the top surface remains clear. The table has a larger lower surface that cantilevers out from the legs to create extra usable space.

# Stacked Table

Included in our Quick-Ship Program

## Stacked Table

44.5" W x 28" D x 15.5" H

## Materials

Solid and White Oak Veneers

## Wood Species

White Oak
