

Make your space work.

## Flock® – Where People Migrate Fact Sheet

### Top Features

- Flock is a full collection of flexible and comfortable lounge furniture that work seamlessly together to make the most of every square inch of space
- Supporting mobility and wellness, Flock brings casual settings into the workplace that allow everyone to find the comforts of home while they work

### Where It Works

- Flock facilitates productivity by taking advantage of smaller spaces that aren't being utilized, making it easy to arrange collaborative areas near workstations for impromptu meetings, or optimizing community and welcoming areas to encourage interaction
- The combination of integrated technology and design versatility make it an ideal solution for any office or learning space — from planned meetings to breakroom conversations to touchdown spaces for mobile workers and students
- Flock promotes a healthier workday by creating untethered workspaces that encourage different postures throughout the office
