

The look you want. The comfort you deserve.

Pillow-Soft chairs combine comfort, style and selection to deliver the ultimate seating experience. These executive level chairs combine thick, memory-foam cushioning with built-in lumbar support to reduce fatigue and increase comfort. The plush tufted leather or fabric upholstery is durable and stain-resistant, and the optional solid hardwood accents add a touch of sophistication. With a versatile selection of styles and functionality, it's easy to achieve a refined, consistent aesthetic throughout every area of your space, without sacrificing comfort.

CONTROL OPTIONS

Customized comfort is always at your fingertips with Pillow-Soft.

TILT / TILT TENSION Adjust the seat and back to a reclined position with using the tilt control. The tilt tension control adjusts the amount of resistance felt during recline.

TILT LOCK/ PNEUMATIC LIFT Tilt lock keeps the chair in an upright position for constant support. Pneumatic lift raises and lowers the seat to the desired height.
