SILEA^{EH}

Design by MITCH BAKKER

SILEA^{EH} WORKWALL

See how SILEA^{EH} WorkWall powers the transformation of spaces, reshaping the way individuals and groups can gather and work, and expanding options for the versatility of your workplace.

PRESENT AND COLLABORATE

The display potential of SILEA^{EH} WorkWall includes both digital and writable options, enabling high-performance group spaces that are ideal for training, idea sharing, and productive group work.

GATHER AND CREATE

Add SILEA^{EH} storage for the project team's use, and tables to create an inviting space for group gatherings or project-dedicated settings.

ASSIGNED OR SHARED

Integrate a personal worksurface that also serves as a place to meet to transform the space again. An office for one person can become a shared collaborative workspace when needs shift or when the owner is away.

It's all powered with the transformational potential of SILEA^{EH} WorkWall. The possibilities can multiply.
