CIJI™ SNAPSHOT

A new take on nimble.

ONE COLLECTION. MANY APPLICATIONS.

Whether striking a sophisticated profile in the lobby, providing comfort in a lounge area or, empowering teams for informal collaboration, the Ciji collection provides all the application versatility. Individual seating, sectional shapes, benches or ottomans, arms or armless, the choices offer variety in a clean, unified style.

YOUR CHOICES. YOUR STYLES.

The Ciji collection empowers design creativity, offering an array of options for upholstery detailing, wood or metal legs, or even blending material textures and tones. It is a modular collection that adapts to the style and configuration needs of today's mobile and diverse workplace.
