

EDWARDS RIVER PUBLIC LIBRARY

A PLACE TO LEARN AND GATHER

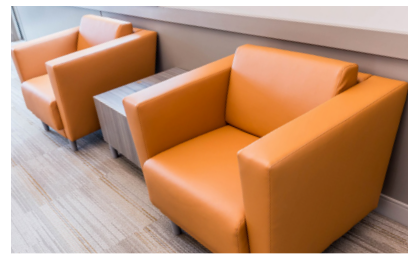

LOCATION: Aledo, IL

YEAR: 2019

DEALER NAME: Iowa Illinois Office Solutions

“When we built the new library, one of the main characteristics we had in mind was “modern”. The new furniture helped us achieve that goal. We wanted furniture that fit the needs of our library in that it could be for individual or group use and was portable, tech friendly, and flexible. The new furniture from HON checked all those boxes. Staff and patrons alike love the furniture! We are all very pleased. It adds to the aesthetic and atmosphere that we have created here.”

- Courtney Wright, Library Director
