YEAR: 2019

SQUARE FOOT: 5,500

DEALER NAME: Core | Office interiors

Bringing both a luxurious and comfortable experience to the guests at the AT&T Center was the main goal of the Super Box Revamp. Guests described the old furniture in the space as “run down and bulky”. With the addition of Flock seating, the space was transformed into a modern and sleek space worthy of the premium area and price. Clean lines provide a luxurious but youthful aesthetic and Spurs fans couldn’t be happier.

make your space work.
