Wardrobes and Lockers for the Agile Office

HOLD IT RIGHT THERE

Work happens just about anywhere and everywhere. And today's workers are always on the move. That's why Contain storage lockers and wardrobes are the ideal stow and go solution for collaborative and open areas. Contain not only offers centralized personal storage for mobile workers but also can pull double duty by defining spaces and establishing work zones—making it the ultimate multi-tasker.

A. DIVIDE AND CONQUER

Use wardrobes and lockers together to divide space and create neighborhoods within an open plan.

B. CALM, COOL, AND COLLECTED

Keep chaos at bay with interior shelves and accessories that bring order to everywhere it's needed.

C. LOCKED AND LOADED

Belongings stay safe and secure with lock options that include Standard, Keypad and RFID with integrated handles.

D. PULL IT TOGETHER

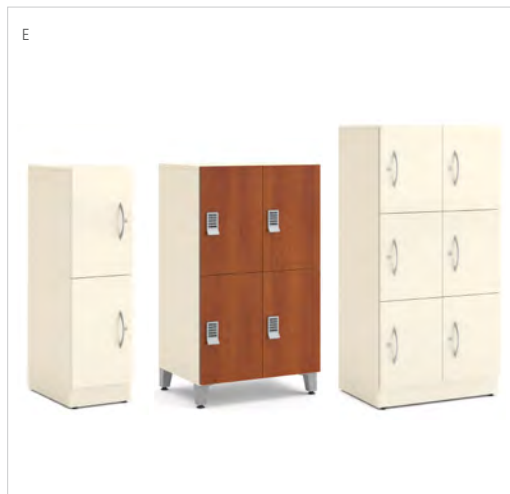

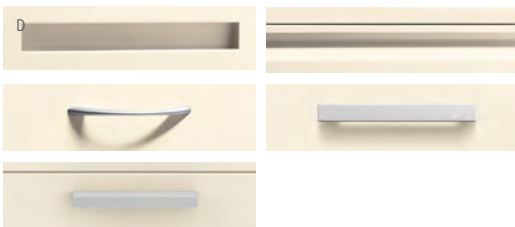

Get just the right look with arch, square, radius, linear, and integral pull styles.

E. IN FINE FORM

Store in style with Quad, Double, or Cubby locker options and laminate or metal fronts.

F. FIND YOUR FOOTING

Plinth base styles and a footed option keeps your storage grounded in reality—and on the floor.
