4-Leg Base Multi-purpose Chair

Why dress up your reception area or waiting room? Because style and comfort always Matter. This cool twist on the traditional guest chair puts the comfort of a lounge chair right on top of a traditional four-leg base. The cushioned seat and back reduce pressure points, and include integrated fixed arms for all-day comfort. The hardwood legs and the neutral Gray fabric not only create a truly modern aesthetic, they easily match just about any surrounding.
