Bleach Cleanable Textiles

When cleaning with bleach, leave cleaning solution on for at least 30 seconds but no longer than 2 minutes. Thoroughly remove the solution from the surface with a clean cloth and warm water. May cause discoloration if left on the surface longer than suggested time or not removed after sanitizing.

Caution! Improper cleaning of any material and failing to adhere to the instructions called out in this document may result in damage of the product and voiding of the product's warranty.

A small, inconspicuous area should always be tested before large scale cleaning.
