MULTI-PURPOSE  
CHAIR

STYLE AND SUBSTANCE,  
PERFECTLY MESHED.

## A CHAIR THAT CONFORMS TO YOU.

If you're looking for all-day comfort without breaking the bank, look no further than Lota. This mesh back family of task and guest chairs offers advanced features for customizable comfort that make it an upscale choice at an affordable price. Lota's control mechanism uses your own weight to provide perfect balance while reclining, and the pivoting arms put upper body support right where it's needed. If you sit for hours on end, put yourself in more control over your comfort.

**A. SIMPLIFIED CONTROLS**  
One-touch seat height adjustment easily moves the seat up and down. While tilt tension, tilt lock and 360-degree swivel provides freedom of movement.

**B. COUNTERBALANCE**  
Weight - activated control responds naturally to your body's movements without any adjustments.

**C. 3-WAY ADJUSTABLE ARMS**  
Arms reposition to various height, depth and pivot options with ease.

**D. THE FINISHING TOUCH**  
Lota is available with a Black frame and base or with Polished Aluminum accents.

**E. LOTA MULTI-PURPOSE**  
Lota Multi-Purpose chairs are available with fixed arms, casters or glides, and Black fabric seat and mesh back (only).
