

HON

Solve[®]

TOTALLY COOL. COMPLETELY YOU.

If you want to make a powerful statement, simply have a seat. Solve's geometric ReActiv™ back creates a contemporary look, while the ilira®-stretch mesh back is a great choice for a softer, more relaxed feel. Add upholstery in a variety of colors to match your selection to your workplace vision. Optional arms and lumbar support in 7 colors put the power of customization back in your hands.

TOTAL CONTROL

Solve offers three synchro-tilt control options, ranging from the basic to the most advanced synchro-tilt mechanism that supports a wider range of postures.

ACTIVE SUPPORT

Choose from fixed, height- and width-adjustable or all-adjustable arms to enjoy customized support.

FINISHING TOUCH

Solve frames are available in Black, Titanium or White to match any aesthetic.

WHEREVER WORK HAPPENS

Designed to adapt to any body type, it responds to your natural movements to provide continuous comfort. This makes it feel right at home anywhere, from private offices to open, collaborative areas.

Colorwav™

Tired of the same basic black chair? With our online customization tool, you can see your bright ideas come to life. From frame to fabric, you choose the combination that matches your personality.
