Tilt™

ACTIVE TASK CHAIR

SEATING

ITS TIME TO GET ACTIVE.

Put your comfort on full Tilt with an active seating solution from HON. This active task seating uses a pivoting base that rotates 360 degrees and has a slight degree of tilting to allow you to really move around while you're working. A suspension seat puts a little bounce in your day, and the full mesh back cradles your spine. Keep moving throughout your day, with Tilt. Backed by the HON Limited 5-Year Warranty.

TILT HVL951 ACTIVE TASK DIMENSIONS
