

SAINTS MARY & MATHIAS  
CATHOLIC ELEMENTARY  
SCHOOL LIBRARY

## A Library of Color, Creativity, and Comfort

**LOCATION:** Muscatine, IA  
**YEAR:** 2020

All the students and staff who have visited our newly remodeled library are amazed by its transformation. It is a beautiful, bright and airy learning environment for our school community designed to enjoy for years to come. HON has innovative, smartly designed furniture which makes a small spaced library feel very grand, indeed.

"The color scheme is fantastic! Contrasting hues of navy blue and light green, welcome our patrons and stimulate creative learning. The designers separated the room in age appropriate usage. HON's tables and chairs are visually appealing and conducive to different learners."
