Viz™

# Define & Conquer

Two spaces are better than one. Viz supports teams in ways they need it most by providing separation without a door or hard threshold. With one simple solution, a workplace can be transformed to provide collaborative spaces, create zoning and neighborhoods, and support all tasks by providing easy access to power.

## Efficient Functionality

With a large selection of aesthetic choices, you can create flexible collaborative spaces equipped to bring your teams together.

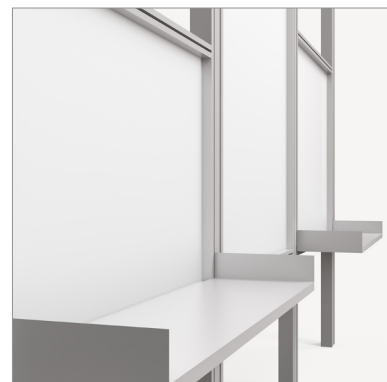

### FLEXIBLE POWER

With the option of modular or hardwired, Viz keeps your teams going with easy access to integrated power outlets.

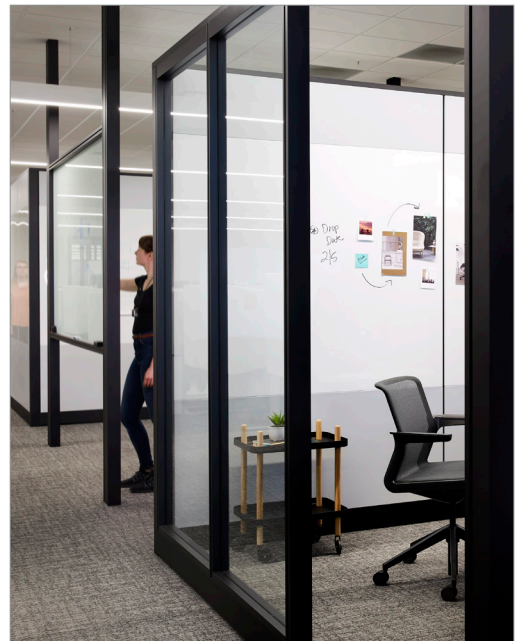

### SIZE SELECTION

Available in 24 sizes, Viz markerboards seamlessly fit into any spot where extra writing surfaces – or additional partitions – are needed.

### SUPERIOR SURFACE

Viz is the ultimate multi-tasking markerboard with standardized low-iron, magnetic, and laminated surfaces on both sides.
