Cliq™
Seating

Instant comfort for collaboration.

Be Part of the Cliq

Some of the best work results from a collaborative effort. Cliq seating is the perfect companion for any group discussion, offering a modern, lightweight design that's as easy to move as it is to admire. From the moment you sit down, it's ready to support productive conversations and effortless collaboration. Remarkably intuitive and endlessly adaptable, Cliq makes seating simple.

Designed with You in Mind

Power through meetings in complete comfort without the hassle of having to fine-tune your chair. Cliq's weight-activated control responds to your body and its movements, providing instant comfort without a lot of adjustments. Cliq does the work for you, making creative collaboration a breeze.

It Just Clicks

A slim profile delivers a modern aesthetic, complemented by a wide selection of fabrics, frame finishes, and mesh colors to create the perfect look for any space. Available as a task chair or stool and in fixed arms or armless versions, Cliq is built to support productive collaboration. Intuitive, stylish, and supportive—it just clicks with any collaborative environment.

"Workspaces continue to become less defined, so with Cliq, we wanted to create an easy to use conference and light duty task chair that works in those different types of collaborative spaces. The design is straightforward; the simplicity of the shape relates back to the simplicity of its use. It's just an easy-to-use chair."

David Mehaffey
Senior Industrial Designer, The HON Company
Designer of Cliq seating

Features

FIXED ARMS

Sleek, modern design of the arms provides a comfortable sit for all users.

STRAIGHT FORWARD ADJUSTMENTS

Effortless, intentional controls that make adjusting your chair a breeze. The weight-activated control automatically adjusts tension as you recline, eliminating the need to make adjustments for different users.

CONFERENCE CYLINDER

Keep your space neat and organized. This cylinder's highest setting allows you to safely tuck fixed arms under a standard height table surface.

4-WAY STRETCH MESH

Flexes in every direction to dynamically move with you.
