A Workplace Workhorse

Essentials is a practical storage solution that performs day after day, whether in the business center, back room, or within the personal workstation. A wide selection of paint colors and pull options lends the aesthetic detail that allows Essentials to look good while doing what it does best.

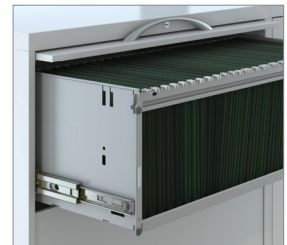

Essentials provides long-term durability over the life of the product with sturdy, solid-steel construction.

Mobile pedestals can be topped with a seat cushion for convenient guest seating.

Drawers move smoothly and quietly on a telescoping ball-bearing suspension, regardless of the weight of the contents.

A roll-out shelf provides easy access to the upper reaches of 5-high lateral storage.
