Michael Vanderbyl

Michael Vanderbyl has gained international prominence in the design field as a practitioner, educator, critic and advocate. Since being established in San Francisco in 1973, his firm – Vanderbyl Design – has evolved into a multidisciplinary studio with expertise in identity, print and digital communications, interiors, showrooms, retail spaces, signage, textiles, fashion apparel, packaging, furniture and product design. Printed work by Vanderbyl has gained recognition in every major design competition in the United States and Europe; his work is part of the permanent collections of several museums and is featured in national and international publications. Vanderbyl's showroom and product designs have also earned numerous awards and distinctions.

Conexus Series

Filling the void between task and lounge, Conexus, designed by Michael Vanderbyl, provides a comfortable and modern seating solution for collaborative work environments and traditional lounge settings.
