Making the Grade for Comfort

SmartLink earns high marks for comfort—pressure-tested against the competition and designed to support movement that helps students stay engaged. The contoured back keeps backpacks from slipping, and the built-in handle makes shifting seats simple. Because comfort isn't extra credit—it's part of the lesson plan.

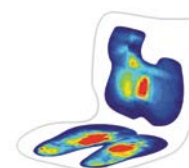

FORM AND FUNCTION

SmartLink's shape—with its ergonomic curves—is designed to minimize pressure points so students can stay comfortable and focused longer.

A Smart Addition to Active Learning Spaces

Ahead of the Curve

Learning is active—and SmartLink keeps up. Its flexible back supports natural movement, so students can twist, lean, or lounge without missing a beat. A built-in handle makes reconfiguring quick and easy, helping classrooms shift with the lesson. Comfortable, adaptable, and ready for whatever the day brings—SmartLink is a smart move.

Stacking Chairs

Pile It On

When the lesson calls for flexibility, SmartLink stacking chairs are all in. Choose from 4-leg or cantilever styles in sizes for every age group—all stackable up to five high for easy moves and smarter storage. Supportive, space-savvy, and always classroom-ready, SmartLink keeps up with the pace of learning.

1) Down to the Wire

Stash books and supplies neatly under the chair with optional wire basket.

2) On a Roll

Keep lessons and seating moving along with optional casters available on 4-Leg chairs.

3) Social Structure

Waterfall edge reduces pressure on the back of the legs, increasing comfort and helping students stay focused.

4) Neat & Tidy

Chairs can be placed on top of desks for easy cleaning, while rubber stoppers prevent scratches on surfaces.

5) Pop of Color

Add color to the classroom with vibrant paint accents on chair legs.

Swivel Chairs

Up to the Task

Like a well-prepped lesson plan, SmartLink task chairs and stools support focus, movement, and comfort all day long. With height adjustment, full swivel, and seamless style coordination across the line, they're built for teacher desks, science labs, and anywhere learning happens. Available in 15 energizing colors to keep the space—and the students—engaged.
