

Allsteel®

Pli™

Motion Made Easy

Pli task seating from Allsteel provides distinctive performance and exceptional simplicity of movement. The auto-fitting design enables the user to experience maximum ergonomic support without performing multiple adjustments. Sit, move, reach, work, and Pli adjusts itself to each user, smartly redefining seated flexibility.

Task Chair

Task Stool

Wellness That Matches Comfort

The crucial criterion for wellness is a seating offering that combines the ergonomic support you need with the comfort you should never be without. Meet Pli, a chair that adapts to dynamic user movements with simplicity and responsiveness.

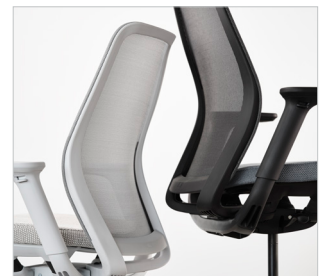

The 4-point seat suspension ensures that Pli creates multi-position support without painstaking manual adjustments.

Each Pli seating model offers flexible and responsive edgeless back support, moving with the movements of the user.

The intuitive and easy height-adjustment control enables Pli to accommodate nearly every user stature.

The clean aesthetic of Pli's design embodies its ergonomic performance and exceptional comfort.
