Erin Ruby, CID, IIDA is the founder of Erin Ruby Design LLC, a multidisciplinary practice based in New York, which specializes in product design, strategy, and commercial interiors. The fundamental philosophy of her studio is a human-centered, participatory design process which expands the role of designer as facilitator rather than expert.

“What does it mean to be comfortable In Your Skin?

This collection is about celebrating what makes each of us unique unto ourselves. Embodying the pure joy and exuberance of youth, individuality, creative expression, and the character and wisdom that come with age and experience.”
