Where Form Meets Function

Sculpt brings more to the table than most. Ideal for lounges, touchdown areas, and common spaces, these standard, tray, and console surfaces offer a wide variety of features designed to simplify how you get it all done. With a stunning selection of durable laminates, woods, and metals, a fail-safe edge to protect your personal items, a technology device slot for hands-free support, and an optional Kia grommet for most standard and tray tables, Sculpt delivers intuitive performance without sacrificing an elegant aesthetic.

Surface with a Purpose

Sculpt goes beyond the standard table—like your favorite team member, this cohesive collection pulls the workspace together with impressive ease. From diverse height, size, and shape options to high quality mixed material selections to nesting capabilities (plus purposeful planter and console solutions), Sculpt customizes and curates everyday spaces into something special.
