Building a Better Tomorrow  
The National Association of State Procurement Officials (NASPO)—a non-profit association dedicated to advancing public procurement through leadership and integrity—has been helping its members achieve success through best practices, education, professional development, and innovative strategy since 1947. The organization is proudly recognizing its partnership with Allsteel, an industry leader for government, education, healthcare, and workplace furnishings. With their shared vision steadfastly committed to strategic growth, trusted relationships, and ongoing education, Allsteel's cooperation with NASPO is destined to build a better, brighter future for their members and their associations.
