SPRING 2023 COLLECTION

Enriching Spaces

Warm Enhancements

1 The **Solid Wood Worksurface**, made from natural white oak, is compatible with the Altitude® Height-Adjustable table in either the T Base or the C Base foot models.

2 The **Natural Cork Grommet** nests in the Solid Wood Worksurface and is also compatible with the Mural™ Power Bay grommet opening on Mural tops.

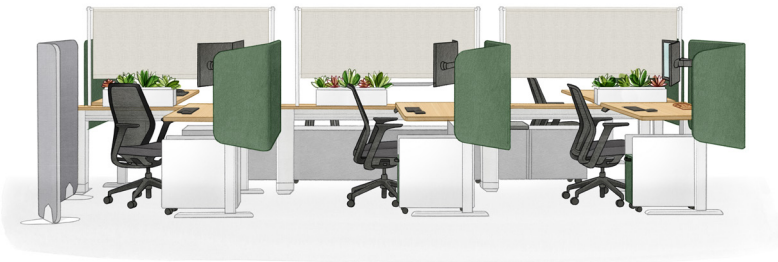

3 The **Solid Wood Beam Ledge**, crafted from natural white oak, mounts to the top of the beam in the Further™ benching system using the Capsule **Beam Connector Receiver** for mounting Mural screen frames.

4 The **Solid Wood Beam Ledge** is also available with the Capsule **Beam Connector Cap** when Mural frames are not used.

Beauty Matters

The warmth and texture of natural wood and cork transforms ordinary into extraordinary. Welcome in.

Concentration

A measure of privacy can be the context for imagination and breakthrough thinking. Settle in.

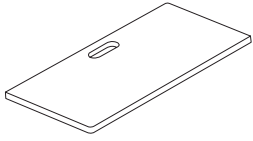

Coordination

The colors and material selections you make shape the mood and impact of your space. Influence experiences.
