Make your space work®

Organization Made Easy

Versatile organization goes far beyond basic bookshelves and filing cabinets. Today's office storage meets a variety of needs, from housing personal belongings and frequently used supplies to cataloging important documents everyone in the office needs.

Active Storage

Active storage—organization that allows you quick access to everything from a change of clothes to a Post-it notes—is a dependable system that supports privacy and personal workflow. Active storage includes:

- **Credenzas**
- **Pedestals**
- **Towers**
- **Lockers**
- **Lateral files (2H)**
- **Bookcases (2H)**

• Archival Storage

Archival storage is found outside of personal workstations. Often larger in size and easily accessed by everyone in the office, archival storage includes:

- **Vertical files**
- **Lateral files (3H+)**
- **Storage cabinets**
- **Bookcases (3H+)**

Ready to discover just how dynamic storage can be?
Let's get started.

FUSE™

It's time to take your organization personally. With a completely fresh take on form and function, Fuse energizes any space with vibrant color and dynamic mobility. Whether you need a place to stash workout gear and protein bars or paperwork and pens, this smart and stylish storage keeps the important stuff where it's supposed to be.

CONTAIN®

Everyone wants a co-worker who's impressive on their own but even better on a team. Contain—a versatile storage system that's redefining spaces everywhere—is a colleague you can count on. Whether on its own or paired with other exceptional HON products, this clever collection maximizes capacity and configuration options in a variety of areas throughout the office. And with optional fabric seat cushions to encourage collaboration, bringing the team together has never been easier.

Busy spaces demand organization that thinks outside the box. Storage Islands promote functional organization and impromptu collaboration where dual-purpose spaces are necessary. Designed to pair with Flagship®, Brigade®, and Contain® collections, these easily customizable units offer a clean, mixed-material aesthetic and smart versatility to energetic environments.

With a wide variety of cabinets, bookcases, files, and pedestals—plus an array of colors, pulls, and more—Flagship makes the most of any space that demands purposeful precision and a clean, contemporary look and feel. An ideal partner for Storage Islands, HON's premier metal storage collection works your unique environment to create a highly functional hub and workflow that evolves with your day.

With best-in-class engineering, Brigade is designed to outlast and outperform the best of them. A rock-solid metal storage collection that offers welded construction and heavy-duty design features, Brigade delivers multipurpose form, function, and a streamlined aesthetic to practical professional spaces.

No-nonsense and all-purpose—that's the compelling case for HON Vertical Files. Clad in solid steel, reinforced with vertical struts and double-walled kickplate—plus cradle suspension and high drawer side panels—makes this powerhouse storage solution a trustworthy and time-tested addition to any efficient office environment.

Smart people have relied on the durability and sensible design of HON's Lateral Files for decades. And with good reason! Smooth glide vertical reinforcements encourage sturdy, quiet performance and a mechanical interlock system prevents more than one drawer opening at a time, saving you from organizational chaos. Plus, with a removable lock core, you can rest assured the important stuff stays protected.
