## The Great Divide

Create more personal space in open areas with the Verse Panel System. Easily connected and endlessly reconfigurable, Verse panels can maintain sightlines or maximize privacy, and keep frequently used items conveniently within reach. It's the smart long-term investment to support short-term work environments that are constantly changing.

### Features

#### PANELS

A variety of Verse panel widths and heights easily connect to one another to form workstations or offer privacy as space dividers. Available in sizes ranging from 24"-72" W and 42"-72" H.

#### SHELVING

Steel hanging shelf hangs off the top of a Verse panel.

#### CONFIGURATIONS

When using the 'L' configuration the return panel must measure at least 60% of the unsupported run.

When using the 'T' configuration, the return panel must measure at least 20% of the unsupported run.

#### INTERNAL STRUCTURE

Consisting of two sheets of  $\frac{1}{8}$ " thick fiberboard mechanically fastened to an internal particleboard frame, Verse provides visible barrier, structural strength, and noise reduction qualities.
