EXECUTIVE OFFICE FOCUS

Wall Bridge extends the functionality of the private office by transforming wall space into a purposeful destination for storage, display, and organization. Its clean, integrated design helps keep resources accessible while maintaining a polished, professional aesthetic.

By combining work surfaces, storage, and display elements, Wall Bridge creates a more efficient environment that supports focus, productivity, and day-to-day organization without overwhelming the space.

Shown with Ignition® 2.0 seating.

SIT-TO-STAND, REFINED

Height-adjustable legs bring healthy movement to the workday without disrupting the clean executive lines of the office.

TAILORED TO THE DETAIL

Three edgeband options, full-overlay fronts, and more than two dozen laminates let you dial in a look from rich woodgrains to sleek metallics.

Shown with Cofi™ and Confer™ seating.
