Seating and Tables

Adapt, React, Motivate

Be Ready For The Unexpected

At HON, we understand that to get the most out of your workspace, adaptability and flexibility are key. You need to be able to turn a group meeting area into an impromptu training room in a matter of minutes. Our Motivate collection of office furniture solutions—from durable tables, comfortable seating, and tech-savvy presentation tools—work together in harmony to provide a comprehensive environment that's ideal for creative collaboration and intensive learning.

Seating

Make It Your Own

Motivate chairs conform to your space just as well as they conform to your body. Whatever your needs, Motivate has the solution. From casters to glides, plastic shells to upholstered seats and backs, you get exactly what you want. Choose from high-density or 4-leg stackers, swivel chairs and stools, or maximize your space with nesting/stacking chairs. Complement your current aesthetic by choosing from a wide variety of colors and fabrics. Our optional upholstered seat and back feature wear-resistant fabrics that are durable and long-lasting, allowing you to enjoy Motivate for years to come.

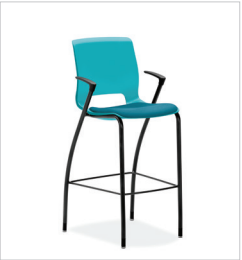

Celebrate The Way People Work Together

Collaboration isn't one-size-fits-all. You need a flexible solution that brings people and their shared space together in a way that encourages lively debate and thoughtful discourse. Because Motivate chairs are lightweight and mobile, it's an ideal solution for all kinds of communication and workflows. As an added benefit, Motivate stores neatly in space-saving nests or stacks. It's always ready to move when and where you need it. Best of all, you'll never have to sacrifice comfort—Motivate's contoured plastic shell and flex-back technology intuitively provide balance and lumbar support for ergonomic recline. Optional 4-Way Stretch mesh back enhances airflow, while the upholstered seat adds cushioning for comfort. With Motivate, collaboration comes naturally.

Counter-Height Stool
This stool height coordinates with HON counter-height tables and standing-height applications.

Café-Height Stool
This stool height is designed to work with HON café-height tables and other café-height applications.

Nesting/Stacking Chairs
Ready at a moment's notice, they are comfortable enough to sit through a full day of training, yet easily and effortlessly pushed out of the way when not in use.

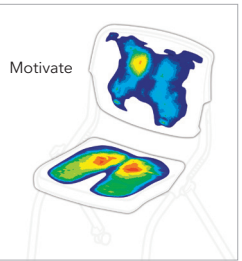

Stacking Chairs
Make the most of your space with these comfortable, lightweight chairs that stack six high.

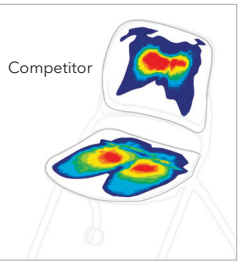

4-Way Stretch Mesh
This innovative material increases support, comfort, breathability and air flow.

Supportive Back
The plastic back cradles your body and flexes to allow greater support.

Pressure Testing
Motive seating was pressure tested against competitive products to ensure maximum comfort for longer periods of time.

Arm & Leg Options

Choose from a variety of options, including fixed or tablet arms, sled bases, five-star bases, and legs with casters or glides.

The Power to Do It All

Don't just meet your expectations. Exceed them.

Having a choice matters, which is why Motivate isn't your average table. From fixed, nesting, and height-adjustable base options that provide simple setup and effortless storage to built-in modular power that delivers pluggable non-sequential technology, these solutions offers powerhouse performance and exceptional quality. Even better, Motivate can be snapped together without tools and offer options like modesty panels, wire and technology management, and ganging hardware—it's almost like having an extra person on the team who does all the heavy lifting.

You Can Have It All

Motivate goes above and beyond the basics. Convenient presentation carts, sturdy desktop lecterns, and mobile markerboards deliver all the tools necessary for an unforgettable training session or high-impact presentation. Add some style with a variety of traditional or contemporary edges. Gain layout flexibility in your space by customizing tables with fixed or nesting bases. Increase comfort with table legs that are positioned closer to the edge to provide maximum legroom. Choose height-adjustable or folding top options, and put technology at your fingertips with grommets or flip tops that route power and wiring.

More Power to You

Power where you need it. Extra space when you don't. Motivate modesty panels provide the right level of privacy, while Interlink IQ Electrical delivers seamless access to power and technology. When not in use, nesting tables tuck neatly away, and height-adjustable tables accommodate users of all sizes, from 27.5" to 32.5".

Fixed/Adjustable-Height Tables
Available in Fixed and Adjustable-height bases, making motivate our most versatile multi-purpose table line.

Accessories
Options like modesty panels and ganging brackets create a streamlined look.

Nesting Tables
Tables with nesting bases feature a contoured leg design that fits neatly together to save space.

Daisy-Chain Power
Plug one table in and connect up to eight more off of one single infeed. With a range of styles and 3-way splitters, it's simple as plug and play.

Education

Rethinking Traditional Solutions

Today's learning environments are active, with students learning by connecting and collaborating. The more engaged students are, the more they contribute and comprehend. When looking for a comprehensive space that incorporates the latest in technology and mobile furnishings, educators are looking to Motivate. The Motivate line of tables, seating and presentation tools offer a universal solution that works from the classroom to the cafeteria, and everywhere in between. When you want the ultimate in comfort, flexibility, and technology support, just Motivate your student body.

Shown with Roll Call™.

Getting Exactly What You Need

The Motivate line of products is the result of years of studying the specific needs of various educational settings. At HON, we understand how students use chairs and tables and the unique tools that presenters need. Every detail has been examined, such as the table legs that are designed closer to the edge to provide maximum legroom. Chair options include high-density, 4-leg stackers, nesting, swivel chairs, and stools. Choose casters or glides, fixed or adjustable height tables, tablet arms on chairs—the possibilities are endless. Combined with all the technology and presentation tools you'll need, Motivate has the power to inspire everyone.
