Best in Class & Built to Last

America's Favorite Desk Solution

When powerful performance and durability matter, look no further than 38000. HON's top-selling metal desk series was designed to withstand heavy-duty use and frequent relocation, making it an ideal solution for growing businesses. With sturdy steel construction, ball-bearing suspensions, and high-pressure laminate tops, 38000 endures high traffic environments with simple style and substance. And with Tru-Fit mitered drawer fronts that offer precision alignment, convenient wire management, and optional power hubs, staying organized and productive is all in a day's work.

Shown with Ignition® seating.
