Pull it Together

For yourself and for the team, Flagship’s bookcases, storage cabinets, pedestals, and lateral files help you collect your wits while keeping everything you need within reach. This versatile modular storage system organizes clutter and creates impromptu areas for quick meet-and-greets. Integrated bins turn chaos into tidiness, and pedestals double as workspace supports or mobile seating when topped with cushions.

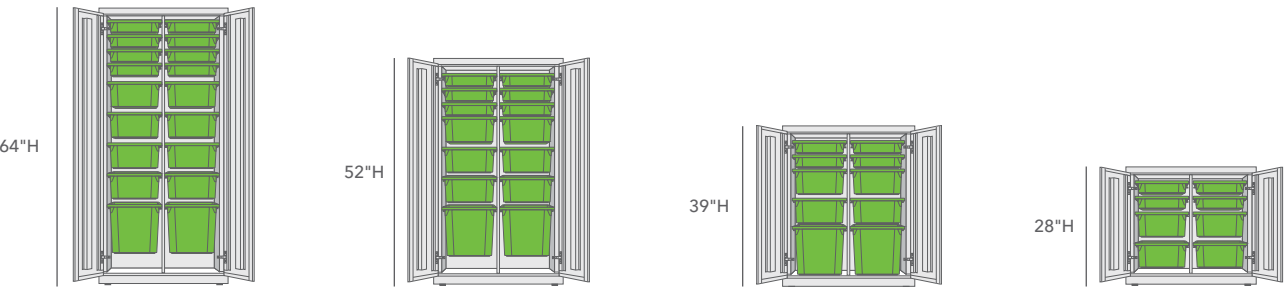

Shown with Ignition® seating.

Storage Configurations

DIVIDE AND CONQUER
Arrange your files any way you want. Front-to-back or side-to-side—Flagship filing lets you divvy things up in the right direction.

BIN THERE, DONE THAT
Choose from four different pre-configured sets and start taking your projects on the go.
