MAKE YOUR SPACE WORK[®]

PRESIDE[®]
TABLES

IT'S TIME TO BUILD ON SUCCESS

Create confident meeting environments with Preside, a conference table collection designed to bring people together. With a professional aesthetic and flexible options, Preside supports the important conversations that move organizations forward.

Shown with Cliq™ seating.

FLEXIBLE
PLANNING

Multiple bases with built-in power routing capability keep cables off the floor and out of sight—so technology access is built into the table structure rather than added on after the fact.

Modular tops scale from 9' to 22', seating up to 22 people, while fixed-length tops support smaller groups, so Preside handles both the quick team huddle and the large-group strategy session.

PROFESSIONAL PRESENCE

Tapered meeting top shapes accommodate both in-person and virtual participants with versatile sightlines, making them a practical choice for conference rooms that regularly host hybrid meetings.

**BUILT
TO LAST**

Scratch-, spill-, and stain-resistant laminate surfaces hold up in shared spaces where tables see heavy daily use from multiple users, reducing the maintenance burden over the life of the product.

Shown with Ignition® seating.
