

SHARP

Be Original.

MX-C428P

Digital Full Colour Printer

A Safe Pair of Hands for All Your Document Needs

Space-Saving Design

With a compact size of approximately 423 x 455 x 319 mm, this printer will easily find a niche in your SOHO or larger office. Simply place it on a desk, under a counter, or anywhere that space is limited.

Enhanced Security

The optional Trusted Platform Module provides authentication, system integrity checks, and encryption capabilities.

Office Direct Printing*

Print common Microsoft Office files without using a PC. With this printer, you can print a Word, Excel, or PowerPoint file directly from a mobile device, USB drive, or file server.

*The actual printout may look different from what is displayed on the computer

Front USB Port

At the front of the printer is a USB port, which comes in handy when printing directly from a USB drive—an indispensable function for users who want quick machine access without a PC.

LCD Control Panel

Operating the MX-C428P is easy with the full-flat 4.3-inch colour LCD touchscreen. And with the Preview function*, you can check the finish of a print job in advance.

* Requires optional 27X0805 or 57X9528.

Wireless LAN Connections*

An optional wireless LAN is available that conforms to the IEEE 802.11 a/ac/b/g/n standards. This lets you connect to the printer via network infrastructure or via Wi-Fi Direct® for mobile devices. Wi-Fi Direct allows peer-to-peer connection with compatible PCs and mobile devices. This comes in handy when you need quick access to a printer—for example, one at a client's office. Because this wireless LAN is independent from an in-house network, you don't need to worry about security. What's more, it supports dual-band connectivity for both 2.4 GHz and 5 GHz wireless networks. The printer also has Bluetooth® connectivity.

* Requires optional 27X6430.

SPECIFICATIONS

General	
Type	Desktop
Engine speed	A4*1: Max. 40 ppm
Control panel display	4.3-inch colour LCD touchscreen
Paper size	Max. A4, min. A6
Paper capacity (75 g/m ²)	Standard: 251 sheets (250-sheet tray and 1-sheet manual feeder) Maximum: 2,001 sheets (251 sheets & optional 100 + 550-sheet tray and 550-sheet tray x 2)
Paper weight	Tray 1: 60 g/m ² to 218 g/m ² Trays 2-4: 60 g/m ² to 176 g/m ² Manual feeder: 60 g/m ² to 218 g/m ²
First print time*2	Colour: 6.7 sec. B/W: 6.5 sec.
Memory	Standard: 1 GB Option: 128 GB ISD*3 500 GB HDD*3
Dimensions (W x D x H)	422.5 x 455 x 318.3 mm
Weight (approx.)	20.55 kg

AirPrint Compatible

The MX-C428P supports the AirPrint printing feature in Apple's iOS and macOS operating systems. AirPrint automatically detects MFDs and printers on the same network. It then lets you print directly from a mobile device without the need for a printer driver.

Device Management

Sharp Remote Device Manager* (SRDM) gives administrators centralised control of their networked MFDs and printers. This software covers system setup, security settings, troubleshooting, and more.

Printer Driver with Easy Setup

The printer driver setup window features a simple design that includes larger buttons and drop-down menus, making it easier than ever to use printer functions.

Versatile Paper Handling

The main paper tray and manual feeder handle a wide variety of paper, including cardstock, envelopes, and small media like A6-size paper.

Printer	
Resolution	1,200 x 1,200 dpi, 2,400 (equivalent) x 600 dpi
Interface	USB 2.0 (host, high-speed), 10Base-T/100Base-TX/1000Base-T, wireless LAN (IEEE 802.11 a/ac/b/g/n)**
Supported OS	Windows Server 2012 R2, Windows Server 2016, Windows Server 2019, Windows Server 2022, Windows 10, Windows 11, Mac OS 10.15, 11, 12, 13, 14
