<b>Remodelling &amp; Renovation</b>	1	Item	\$0	<input type="checkbox"/>	\$0

- Taking a closer look at the existing layout and deciding the best way to go to transform and refresh the current space.

Working on a new design plan to remodel the space, with a new color palette, furniture, and rooms according to the clients' vision.

- Construction & installation - ( demolition, Repair, and prep the space for the work ahead of us, Hang walls - if needed, Painting the space, Install kitchen accessories, etc.).

- Project Management - Having a project manager you'll work closely with, will help with the vendors and making sure everything goes according to plan.
