World's #1 personal startpage

It is official: we are now the largest personal startpage in the world. Last week, Alexa certified us. Let's celebrate. Join us!

Column: longing for simplicity

"As much as I love my digital and well-connected lifestyle, sometimes I really long for something different. Back to nature."

Stock quotes widget is back

Some months ago, our Stock Quotes widget stopped working. But it's back again and has some nice new features.

The ugly truth about startpages

Startpages have been around since the beginning of the internet. They seemed like the obvious way to surf. Until Google killed them.

We hope you enjoyed this newsletter. Please [let us know](#) if you have any remarks. And [subscribe to our blog](#) to be the first to read our new stories.

Best regards,

The start.me team
