

**Luan Jenifer**  
President

**Luan Jenifer**, President, joined Miller/Howard Investments in 2002. She manages our Environmental, Social and Governance (ESG) activities including screening and research, company engagements, shareholder advocacy, and proxy voting. In her prior role as Chief Operating Officer, Ms. Jenifer oversaw the firm’s operations, trading, technology, and performance analytics departments. Ms. Jenifer served for many years as Director of Operations and Shareholder Advocacy, responsible for operations, trading, and ESG activities. She continues to work closely with investors, companies, and colleagues through Miller/Howard’s shareholder advocacy program. Ms. Jenifer is involved in volunteer work for several community organizations in the Woodstock area. She holds a BS in Organizational Leadership from Marist College.

#### **About Miller/Howard Investments**

Miller/Howard Investments Inc. is an independent, SEC registered investment firm with over two decades’ experience managing equity portfolios for institutions and individuals in disciplined, dividend-focused investment strategies. We invest in companies across the broad market that our investment team identifies as financially strong with the ability to pay and consistently raise dividends. Our portfolio strategies include: income-equity broad market stocks, master limited partnerships (MLPs), utilities, infrastructure, and “Drill Bit to Burner Tip®” components of the North American energy value chain.
