

DIGITAL MARKETING AGENCY OF THE YEAR

Design Hero

RENFREWSHIRE

Design Hero is a marketing agency founded by industry veteran Nicholas Robb with one mission: to help business owners supercharge their marketing. Design Hero is set apart from other agencies by providing a single point of contact for all the skills a business needs to transform a brand from zero to hero. This lean, mean marketing team of marketing experts boast an impressive skillset across brands, web, SEO, PPC, social media and more. Delivering real results allows Design Hero to forge long term relationships with clients.

The judges were impressed by their highly effective three-step growth process, which has grown local brands into national enterprises. Step one is to create a killer brand. Step two is to build a powerful web presence through web design. Step three is to generate consistent leads with digital marketing. Their clients across the UK clearly agree, with hundreds of rave reviews. With a rapidly growing client list, The Design Hero team have to carefully select their clients: "I wanted to build a marketing agency where every client gets the superhero treatment," explains Nicholas. "Our experts deliver results, we don't do geek speak, and we aim for nothing less than 'amazing'. But we can't save everybody; we work long-term with our clients to boost business growth. It's a process that requires courage, creativity and determination!"
