

Vergi Rodriguez

Entertainment industry expert who has worked with a multitude of names in film and television like Jennifer Lopez, Jessica Alba, Sofia Vergara, Prince, Shaggy and Jay Z. She has a Master's in Psychology and emphasizes the importance of how moving the body has a beneficial impact on our mental health. Her goal to inspire other women of color comes across as an accomplished filmmaker after her first short film "Dreamer" was officially selected in over 75 film festivals. Including Geena Davis' Bentonville Film Festival.
