

Literacy This Week

**Yukon Literacy
Coalition**

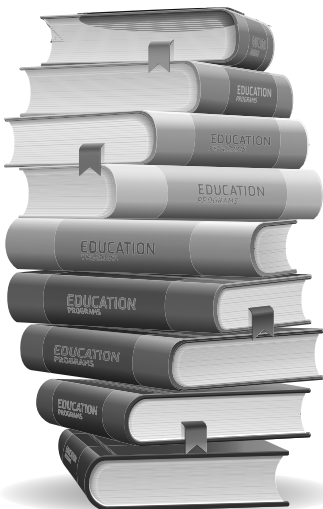

We are a society of people dedicated to improving the quality of life of all Yukoners. We do this by building the foundational skills required for lifelong learning; acknowledging that we are all adapting to an everchanging world.

Little Free Libraries

A Little Free Library is a free book-sharing box where anyone may take a book or share a book. They function with the honor system. You do not need to share a book in order to take one – but if you do take a book or two from a little library, try to bring some to share to that same library or another in your area, whenever you can.

Have you seen any little free libraries around the community? Check out the Yukon Literacy Coalition website to see if there are any near you on our library map! If you've found one you don't see on our map, we'd love to hear from you so we can add it.
