

# NICHE CONTENT DRIVEN TUTORIAL TOOL

## Fill This Out: Post Answers to Facebook Group

Use this tool to help me post live video tutorials that are content driven for your particular niche so you can move faster. This is not a requirement but if you post the answers in the Private Facebook Group, I will read them and choose from the posts.

What is Your Niche Down Market and Industry?

When I say “niched down,” that means getting very specific in your industry and niche (i.e. not just yoga but power yoga for the busy corporate executive).
