

MAJOR PROJECT  
**WEAVER RESERVE ALTONA**

Stoddart was commissioned to supply a range of our Australian made plumbing fixtures, for the recent upgrade to the Weaver Reserve Altona public amenities.

Stoddart proudly manufactured and supplied our 2.0mm superior anti vandal toilet pans in standard, ambulant and disabled options, a custom radius corner V.S7 hand wash trough, measuring more than 4m, and our dual height accessible drinking fountains. Stoddart plumbing products are made to resist vandalism and corrosion, ensuring long-lasting solutions for this installation and other similar public amenity installations from Stoddart.
