

Foot Operated Wash Basin

Model: SPPL.WB.MSxx.G.yyy

- SPPL = Stoddart Plumbing Product
 - WB = Wash Basin
 - MSSC = Freestanding Self Contained
 - MSMF = Freestanding Mains water fed
 - G = Galvanised
 - TSD = Towel & Soap Dispenser
- eg.: for specification and ordering quote
Code: SPPL.WB.MSSC.G.TSD

Features and Benefits:

- Stainless steel hand washing basin with tap and stand included
- Hands free foot operation for hygienic hand washing
- No power connection required
- Self contained (SC) models include two 20 litre on board jerry cans. One for clean water and one for waste water. Water is fed using a foot operated pump
- Mains fed (MF) models include a mains water connection and waste connection for drainage to a suitable drain
- Stands are fabricated from galvanised steel. They are an open base which houses visible plumbing and do not include the rear handle and castors (handle and castors available at an additional cost)
- Optional towel and soap dispensers are available to order at an additional cost, specified at time of order
