

Foot Operated Wash Basin - Mobile

Model: SPPL.WB.MSxx.yyy

SPPL = Stoddart Plumbing Product
 WB = Wash Basin
 MSSC = Mobile Station Self Contained
 MSMF = Mobile Station Mains water fed
 TSD = Towel & Soap Dispenser
 eg.: for specification and ordering quote
 Code: SPPL.WB.MSSC.TSD

Features and Benefits:

- Stainless steel hand washing basin with tap and stand included
- Hands free foot operation for hygienic hand washing
- No power connection required
- Self contained (SC) models include two 20 litre on board jerry cans. One for clean water and one for waste water. Water is fed using a foot operated pump
- Mains fed (MF) models include a mains water connection and waste connection for drainage to a suitable drain.
- Cabinets are fabricated from heavy duty, aesthetically pleasing and durable stainless steel. They include a fully enclosed cupboard and back panel to conceal plumbing/fittings plus rear handle and castors making the unit easy to reposition
- Optional towel and soap dispensers are available to order at an additional cost, specified at time of order

*Model shown with optional accessories

Specifications:

Construction: Hygienic 304 grade stainless steel construction cupboard and basin, no.4 satin finish. Foot operation tap for convenient and hygienic hand washing.
