

PROJECT HIGHLIGHT

DOLPHIN STADIUM, REDCLIFFE

Dolphin Stadium is the home ground for multiple QLD based sporting teams, including the Brisbane Roar (A-League) and the Redcliffe Dolphins (QLD Intrust Super Cup), as well as hosting multiple pre-season NRL matches and after recent renovations now has an upgraded seating capacity for up to 11,500 patrons.

Stoddart supplied a number of wall hung urinals that were site measured to specifically fit the space provided. These urinals have been designed by Stoddart to resist vandalism and corrosion for a long service life. They are designed for minimum maintenance and maximum water efficiency.
