

### Product Information

- Multi-purpose, end load trolley for holding, storing and transporting bulk food in 6040 Sheet Pans (600 x 400mm). Compact, slim design maximises working space and storage space
- Made from an extremely strong, revolutionary composite material with a smooth, easy to clean surface
- No metal parts, welds, screws, cross bars or metal casters than can break, bend, dent, rust or corrode
- Moves easily between kitchen, freezer, cooler and/or off premise
- Rails accept/hold hot pans from 200°C oven.
- No marking or metal wipe from metal pans. Wide 76mm rail spacing offers greatest versatility and ease of use
- Top frame features moulded in supports to hold a single 6040 Sheet Pan to cover and protect contents below
- Moulded in slide rails for sheet pans (sheet pan sits on top of the rail), with moulded-in 3mm pan stops on each rail end help to keep pans on the rails when turning during light transport
- Four each heavy duty, 127mm premium plastic swivel casters all with total locking brake. Non-marking thermoplastic rubber wheel. Rust and corrosion free
- Flat packed with casters and bottom frame wedges factory installed, for minimal assembly
- Components are easy to remove and replace if damaged, ensuring a lifetime of service
- **12 months parts and labour warranty**
