

Product Information

- This robust and durable cart is built to tackle a range of transport tasks, from the receiving dock to the front of the house.
- Use to store equipment and supplies, deliver room service or tear down a banquet room. Versatile workhorse moves easily from table set up to bussing service, delivering prepared foods to food bars, coffee service, or transporting catering supplies off the delivery truck
- Ships “knocked down” to minimize shipping costs, yet easy to assemble and ready to use in minutes. Directions included with each cart. (Use plastic mallet only)
- Load capacity: 180kg (60kg per shelf)
- Three each polypropylene shelves are durable, stain resistant and easy to clean plus lightly textured to reduce sliding. Each shelf holds one full size dish rack or two standard size tote boxes.
- Raised marine rails around each shelf prevent items from slipping off.
- Generous 300mm open spacing between shelves speeds up loading and unloading.
- Aluminium uprights between shelves ensure optimum sturdiness and stability and are rust resistant.
- Two ergonomic polypropylene handles are included with each cart.
- Four non-marking, powder coated steel, 127mm swivel casters without brake are durable and strong and offer quiet, easy transportation.
- **12 months parts and labour warranty**
