

Product Information

- This large capacity Camcarrier easily handles storing and transporting food for any catering job, large or small, hot or cold foods. No power required.
- Tough, one-piece seamless, double-wall, polyethylene construction is easy to maintain and won't dent, crack, rust, chip or break
- Thick polyurethane foam insulated compartments and air tight gaskets help to retain food quality and temperatures without the use of external heat sources
- Durable nylon door latches are easy to open and close securely to provide maximum temperature retention. Door swings open 270° to the side for easy loading and unloading
- Pop-up vent allows steam to be released and keeps menu items from becoming soggy
- Ergonomic moulded-in handles are located on top sides to provide safe and easy lifting and transporting
- Units interlock for easy stacking and transporting
- Optional Camdolly® provides easy transport
- No assembly required.
- Store hot and cold foods in the same compartment with the use of the optional ThermoBarrier® Insulated Shelf Divider, or create a portable chiller by using the optional Camchiller®. No external power or ice required (Contact your sales representative for further information)
- **12 months parts and labour warranty**

*Dolly not included
