"A Trusted Name in the Area of Credit Health."

What is Credit Score?

Your Credit Score is Your Financial Passport to a Brighter Future!

In the Range of **300 to 900** a Credit Score is a **Three Digit Number** which Determines an Individual's Creditworthiness. It is a Quantified Creditworthiness assessment focused on an Individual's Financial Records.

It Means the Financial Status of Banks and Non Banking Institution based on the Repayment History of Credit Cards, Loans, etc.

A Credit Score helps to Gauge an Individual's Repayment Potential it Pays a Critical Role in the Decision of a Lender to Give Credit.
