Come along to our Adelaide Education Day!

Join us at our **FREE** event for healthcare professionals.

Each day includes:

- Specialist Clinicians working in the field presenting updates on evidence based best practice assessment and management in wound care, continence and nutrition
- Opportunities to update product knowledge with an extensive trade display of the latest wound care, continence and nutritional products
- Gain Continuing Professional Development (CPD) hours that contribute to your annual requirements
- Delicious free morning tea and lunch

Adelaide

Thursday 26 March

National Wine Centre of Australia
